

# Church Planting

Since 1999 Peru Mission has been planting churches with three fundamental characteristics: we proclaim the Biblical faith with passion and conviction; we worship God with reverence and joy according to ancient covenantal patterns; and we live in vibrant community carrying out the Lord's mission as He did, in both Word and deed.

## How You Can Help

Join our efforts to plant churches in Peru by committing to regular prayer for a specific church and pastoral team, by giving financially to offset start-up costs or to support a church planter, or by bringing a short-term team to Peru to help us host evangelistic events and activities, on-site medical campaigns, or even construction projects.
